

KARMIC TATTOO

Karmic Tattoo (KT) is an ALL-FEMALE BAND of veteran entertainers that perform as a:
~ 4-piece band
~ trio
~ duo.

Karmic Tattoo band is unique:

- *KT has a large and loyal fan base.
- *All members sing lead & backup vocals providing a wide range of music and harmonies
- *The drummer plays a rare Zen Drum. It is strapped on like a guitar, but sounds exactly like a full drum set. This allows all four members to play side by side on stage.
- *Because of the use of the Zen Drum, KT has complete control of the entire band's volume (can be very quiet or loud).
- *KT needs very little space to setup.
- *KT has P.A. systems to fit any size room.

BIOGRAPHY

Karmic Tattoo (KT) consists of Lisa Noe, Pam Green, Amy Black and Tammy Hatch, a band that looks beyond the surface of people and focuses on the inner person.

Lisa, Pam, Amy & Tammy are very versatile and comfortable interchanging instruments as well as singing. Each of them has studied in the field of music, education and performance.

KT hails from the Tampa Bay, FL area and has a strong following. Known for their interaction with their audience these women know how to get the crowd going. KT fans are something to behold...awesome and enthusiastic. Fans leave KT concerts rejuvenated and empowered.

Blending 60's, 70's on up to today's hits with beautifully rich harmonies, they are a fun loving group playing electric, acoustic & bass guitars and an unusual "drum set on a stick" that continually fascinates their audiences. KT's music is sublime and powerful, is a playful feminine rock that heals the soul & captures many moments of life.

Karmic Tattoo released their 2nd all original CD called "More Than Skin Deep" on June 25th, 2011 at Ferg's Sports Bar & Grill in St. Pete, FL. The album covers emotions from joy to passion, sadness to death. Their sultry vocals, passionate guitar leads & a rhythmic heartbeat leaves a musical mark that's 'More Than Skin Deep', it's a Karmic Tattoo.
